

UNNIS

Red Young Wine 2018

GRAPE VARIETIES

100% Tempranillo

WINEMAKING

Elaborated with excellent Tempranillo grapes harvested during the night to protect them from high daytime temperatures. Alcoholic fermentation, which takes place in stainless-steel tanks at strictly controlled temperature, is followed by malolactic fermentation.

TASTING NOTES

Intense cherry red colour with violet rim. Excellent varietal aromas such as raspberry and redcurrant with slight hints of liquorice and hops. Good balance between stringency, acidity and alcohol.

PAIRING

White and red meats, wild mushrooms, cured and blue cheeses.

Serving

Temperature: 15°C
